Objective

I am currently a student at the Faculty of Commerce, Accounting Department , majoring in accounting . With hands-on experience in this field, I am eager to further develop my skills and apply them in a practical environment. I am particularly enthusiastic about the opportunity to contribute to your organization, which I greatly admire for its ongoing commitment to innovation and success. Being part of such a dynamic team would be a significant step in my professional journey.

Education

Mansoura University; Faculty of commerce, Cairo, Egypt

- Bachelor of Commerce, accounting Major. 2021 – 2025

Work Experience

- **Organizer at DEW Event Company 2022-2024.**

Working for DEW Event Company was full of expertise and experiences through which I gained many experiences such as discipline in work times, working to achieve the organization's goals, working as a team, the ability to work under pressure, and solving work problems.

- **Sales employee at Fine Company 2022-2023.**

This period was full of experiences that helped me and through which I was able to develop my personal skills and communication skills with clients and others in a good way and the ability to persuade in addition to sales skills, as I was always sufficiently capable of achieving the target by multiples of what the institution set for us.

Courses and Training

- **EG BANK training.Aug,2024(20 hours)**

I received specialized training from Aji Bank in cooperation with ECRER, covering areas such as financial and banking information, job readiness, and developing communication skills. I also strengthened my personal brand through this program.

- **Training Mohamed Hassan – Certified Public Accountant.feb.2024**

Completed a training program at a certified public accountant office, gaining practical experience in bookkeeping, financial reporting, tax preparation, and auditing procedures. Developed a solid understanding of accounting principles

- **Banking Institute Training – Mar,2024 (62 hours)**

The training program was full of important information and highly valuable topics such as debt management, personal financial planning, savings, investments, bank accounts and their different types, loans, the criteria on which loans are granted, and many other financial concepts.

• **Banking Training – Banque Misr, Mar. 2024**

I participated in specialized training from Banque Misr and the Egyptian Banking System Model (EBSM), which included learning about the concepts of financial inclusion and daily banking operations, along with practical training at one of the bank's branches. Through this training, I gained practical experience in banking operations and customer service.

Volunteering Activities

- Member of the Social Committee at the Faculty of Commerce, Mansoura University. 2024
- Team Leader Organization of the Republican People's Party in the constitutional referendum 2023
- Many participations in events to qualify students for the labor market under the auspices of Mansoura University 2023.
