

# AYMAN AL-BREEM

## ACCOUNTANT

### About Me

I am Ayman Al-Breem, a professional and creative Certified Public Accountant (CPA) with a Bachelor's degree in Accounting from the Aqsa University in 2016. With over 4 years of practical experience in governmental, international, and private organizations, I have developed a strong foundation in financial management, auditing, and accounting principles. Throughout my career, I have acquired a deep understanding of accounting standards, financial analysis, and budgeting processes. Additionally, I have participated in various training courses and practical seminars that have enhanced my technical skills and knowledge of the accounting field. I am passionate about applying my expertise to solve complex financial challenges and contribute to the growth and success of the organizations I work with.

### Career Object

As an ambitious and detail-oriented accountant, my goal is to utilize my knowledge and skills in accounting and finance to contribute effectively to a dynamic and innovative organization. I am eager to apply my expertise in financial reporting, budgeting, and auditing to enhance the company's financial performance and ensure compliance with industry regulations. I am dedicated to continuous professional development and seek opportunities that will allow me to advance my career, take on new challenges, and support organizational success through accurate and insightful financial management.
