Beni suef, Egypt

Dedicated Accountant with over 3 years of experience driving financial excellence in diverse industries. Proficient in Financial Reporting, Effective Time Management, and Budgeting & Forecasting. Skilled in Microsoft Office, Communication, and Interpersonal abilities. Adept at collaborating within teams and leveraging advanced technological tools to streamline processes. Strong educational background with a Bachelor of Commerce from Beni Suef University. Passionate about delivering accurate and timely financial insights to support organizational success.

Professional Experience

Cordoba
Manager

March 2022 — February 2024

As a Manager at Cordoba, I led a team to achieve operational and financial objectives, utilizing effective time management and budgeting skills.

- Managed and coordinated daily operations to ensure efficiency and productivity.
- Utilized financial reporting to make data-driven decisions and improve overall performance.
- Provided leadership and guidance to team members, fostering a collaborative and productive work environment.
- Implemented strategic initiatives to optimize processes and enhance customer satisfaction.

Future Oil
Accountant

October 2020 — July 2023

As an Accountant at Future Oil, I was responsible for managing financial records, ensuring accurate financial reporting, and utilizing Microsoft Office to generate financial reports.

- Demonstrated effective time management to meet deadlines and prioritize tasks.
- Collaborated with colleagues to analyze financial data and provide insights for budgeting and forecasting.
- Utilized strong communication and interpersonal skills to work effectively in a team environment.
- Managed financial transactions and maintained accurate financial records.
