Experience

an Accountant at Faten Company *2023-2025*

At Faten Company, I played a crucial role in managing the financial aspects of the business. My responsibilities included conducting financial audits, reconciling accounts, and ensuring accurate financial reporting. I collaborated with various departments to streamline financial operations and provided valuable insights for strategic decision-making. Additionally, I was responsible for preparing tax returns and ensuring timely compliance with regulatory requirements.

A sales representative at Mada Internet Company *2022 – 2023*

As a Sales Representative at Mada Internet Company, I promoted and sold internet services, built strong client relationships, achieved sales targets, managed orders, and ensured customer satisfaction. I also prepared sales reports to track performance and suggest improvements.

A training course at an accounting office *2021*

office ALJALAL

During the training course at the accounting office, I developed comprehensive knowledge in fundamental accounting principles, financial reporting, bookkeeping, taxation, auditing, and financial analysis. Additionally, proficiency in using accounting software, such as Excel, was achieved. This experience has equipped me with the practical skills and expertise necessary to excel in a professional accounting environment.
