SUMMARY

Highly motivated and detail-oriented Accounting graduate from Al-Azhar University, with a strong academic background in financial and managerial accounting. Proficient in Microsoft Excel and Word, with excellent analytical and organizational skills. Eager to begin a professional career in a dynamic and challenging environment where I can grow, contribute, and continuously develop my abilities.

SKILLS

- Proficient in Microsoft Excel (functions, formatting, basic pivot tables)
- Good command of Microsoft Word and document formatting
- Solid understanding of accounting principles and financial reports
- Strong attention to detail and accuracy
- Ability to work effectively within a team
- Fast learner and highly adaptable
- Good organizational and time management skills
- Basic knowledge of accounting software (willing to learn any system)

WORKING EXPERIENCE

Entry-Level Accountant (Trainee – Open to opportunities)
While I have not yet gained formal work experience, I am actively seeking opportunities to apply my academic knowledge in real-world scenarios. I am confident in my ability to quickly learn accounting systems, adapt to team environments, and contribute to daily financial operations through strong attention to detail and a commitment to accuracy.

EDUCATION

Bachelor of Commerce – Accounting Department
Al-Azhar University – Egypt
Graduation Year: 2025
Graduated with a strong foundation in financial accounting, cost accounting, and auditing, with a solid understanding of business and economic principles.
